Source or Clarifying Statement:

1. [REDACTED] Beceka Manganese Mines Company, manganese mine in Divuma, Katanga, Belgian Congo. This firm is closely related to the Union Miniere Company (UMHK). The manganese mine at Divuma started production about April 1952. It produces about 20 thousand tons of ore per month. There are about 25 European and more than two hundred natives employed at this mine. Housekeeping methods are excellent. All equipment is of US manufacture. [REDACTED]
